Milan Chromatic Series

Crafted in Color, Inspired by Italy.

Inspired by Milan's iconic design culture and architectural precision, the Milan Chromatic Series transforms color into a refined design language. Drawing from modernist buildings, historic streets, and fashion creativity, these handcrafted tiles feature rich chromatic layers and soft glazed textures, creating depth, elegance, and timeless Italian sophistication for contemporary interiors.

Flexible Size

61.5×188.5mm and 125×125mm tiles can be mixed to create many layouts. Different sizes fit together easily, giving more freedom to design unique and modern walls.

Mix Colors Freely

These two sizes also work well with different colors. You can blend light and dark shades to create patterns, highlights, and a rich, artistic wall look.
